CAREER OBJECTIVE

A dedicated and customer-focused BCA graduate seeking to build a career as a Probationary Officer under ICICI Bank's Aspire Program. Eager to deliver service excellence, support business development through customer acquisition and wallet-share growth, champion 360-degree banking solutions, and uphold the philosophy of "Fair to Customer, Fair to Bank." Brings strong analytical ability, quick learning aptitude, and a technology-driven mindset gained through hands-on project and development experience, along with a genuine interest in building long-term customer relationships and contributing to branch-level business goals.

KEY STRENGTHS (ALIGNED TO PO ROLE)

- Customer Service: Comfortable engaging with people, understanding needs and offering suitable, fair solutions — demonstrated through user-facing project work and problem-solving assignments.
- Business Development Mindset: Goal-oriented and proactive; quick to learn new domains and processes, well-suited to onboarding customers and identifying cross-sell opportunities.
- 360-Degree Approach: Strong cross-functional collaboration skills built while working across front-end, back-end and database teams on full-stack projects.
- Portfolio & Process Discipline: Detail-oriented with experience maintaining data integrity and secure operations (CRUD, authentication, records management).
- Values-Driven: Committed to integrity, transparency and ethical conduct in every engagement.
